A Salute To America's Military Heroes

Veterans Day is November 11th. This holiday was originally called Armistice Day when it was established in 1926 to commemorate the end of World War I and to honor those who sacrificed their lives.

In 1954, the day was renamed Veterans Day to honor all American men and women who have served in the military during war and peacetime. We thank all veterans for their service and sacrifice for our country.
