Thank Yous

We send a very special and heartfelt thank you to all who gave us so much love and support to help ease the pain of the loss of our mother and grandmother, Aletha Bryan Wood. To Doug Estes and the wonderful staff at Super 8, who have always shown us respect and comfort: you always go the extra mile for us and we will always be grateful. Your thoughtfulness means the world to us. To DJ Rush and everyone at Rush Funeral Home who answered every wish: you are angels among us. You truly deliver kindness and exceptional care with a pat on the shoulder and a kind smile just when we need it most. To all who helped us give our sweet mother such a loving service: she would be so pleased, we are so grateful. In times like these, it is so comforting to have friends and family we can depend on to see us through. Nothing means more than having you extend your hand or give a hug. We will think of you often and thank you in our hearts over and over again. From each of us, and especially from Aletha, thank you for holding us dear.
